TIMARON
1972

Middleborough High School

Middleborough, Massachusetts

We the people of the 1972
Timaron staff have captured the year

in a book of pictures
and writing —

You the people must add the life, the feeling and the stirring of your memory.

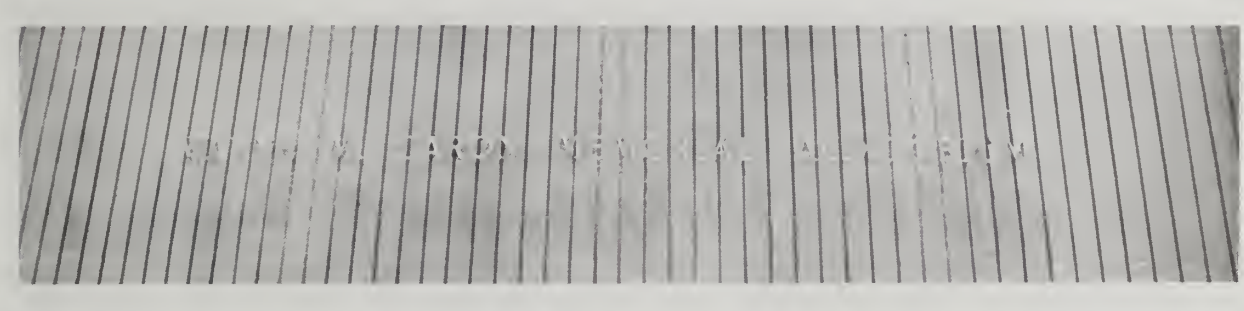
Look back upon this school year as a great one of association with people who made it so.

Middleborough High School

Dedication November 21, 1971

Brigadier General Robert D. Bohr USMC who was at the time of Wayne Cason's death the operations officer for the First Marine Division in Vietnam spoke of Wayne's "fine sense of dedication."

In the portrait, Wayne is shown surrounded by twenty-one marines who lost their lives in the Quang Nam Ambush on July 28, 1968. The portrait was painted by his mother and donated to the school in memory of her son.



Dedication

Mr. John Scanlon

For Mr. John Scanlon and the School Building Committee, there is one victory they will never forget. After many long hours as Chairman of the committee, Mr. Scanlon and his fellow members are responsible for a school of which the townspeople are proud. However, when referring to his chairmanship, Mr. Scanlon wishes to emphasize "I was a coach with a lot of good players."

Mr. Scanlon and his family have always resided in Middleboro. Being a former graduate of M.H.S., he played baseball, basketball and football for the Sachem teams. This enthusiasm for sports in his younger years may account for his favorite pastime, which is watching M.H.S. sports activities.

Mr. Scanlon has said, "I've never done a good job in anything," but one may see from the things he has done that he is active in many areas. Besides his job as a Sales Representative for the Metropolitan Life Insurance Company, he is a trustee of the Library, a member of the Mitchell Club, Athletic Director of the American Legion Post, and a supporter of C.Y.O. basketball.

It is for all these reasons, and his hard work and dedication to a cause that we, the Class of 1972, wish to extend our gratitude by dedicating this, the 1972 Timaron, to him.

Superintendent of Schools

TO: MIDDLEBOROUGH HIGH SCHOOL CLASS OF 1972

Within each heart there lies apart
from all its cares and sorrows,
A paradise which knows no sighs
a world of happy morrows;
A heaven of light, unknown to blight
of winter bleak and dreary,
Whose days are long and sweet with song,
Whose hours never weary.

What matter though earth's pathways glow
no more with springtime's gladness?
What if each June has flown too soon
And left a flock of sadness?
No real love so true will prove,
No tones one half so tender,
No lips so pure as those which lure
the soul to visioned splendor.

Lincoln D. Lynch

MR. LINCOLN D. LYNCH

During the four years Mr. Lynch has been with us, he has shown us kindness and helpfulness in every sense that these words can imply. His character and his spirit have guided us faithfully through the most important years of our learning, for which we will forever be grateful. Therefore, we, the class of 1972, thank him.

Kenneth L. Johnson

Principal

To: MIDDLEBOROUGH HIGH SCHOOL CLASS OF 1972

Many are the receivers,
Indigent, assuming, wanton,
Devoid of responsibility,
Divestiture by pre-abundance,
Living, yet with little life,
Existing, only existing.
Before you lies endless
Opportunity to be different,
Resourceful, productive.
Overtly and with true resolve,
Unleash that potential and
Go in determination as a
Host of transcendent ideals.
Hold that for one to wear-out
Serves mankind far better than to rust-out.

Mr. Kenneth L. Johnson

The Class of 1972 will remember with fondness and appreciation the understanding and unbiased approach Mr. Johnson has consistently demonstrated with the students. His friendliness, active participation in student activities, and willingness to listen are characteristics which have won our respect. We thank him for all he has done for us during our High School career.

Message to the Seniors

Today Is Yours by Agnes Carr
You can not bring back yesterday,
But there is still today;

Don't dream of what you might have had,
But start right on your way

And head straight for your goal,
Success,

Believe that you will win,
Go forward strong in faith and hope;

Today is yours, Begin

Message to the Seniors

Many years ago my High School graduating class motto was "Not Finished — Just Begun." This is the message of Life! May you view every successfully completed task as merely another milestone on the road to excellence. My best sincere wish goes out to all of you, and I consider it a privilege that my first Vice-Principal's Message is to the Class of 1972.

Good Luck,
Norman L. MacDonald

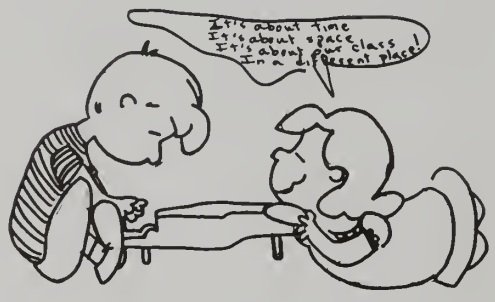
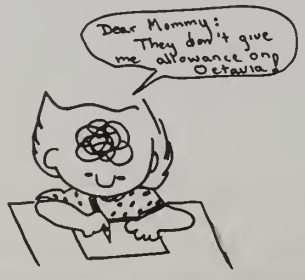
Prophecy

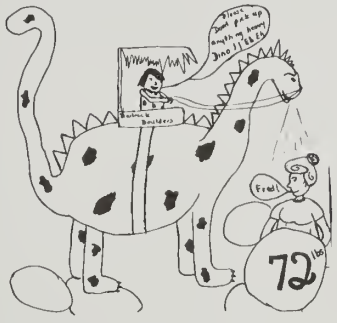
Our dreams are just beginning as we take that giant step into the unknown. Taken gradually, it is not even noticed; yet still we wonder what the future holds. Soon we shall say goodbye to all of our classmates and hope to see them again when the battle is lost or won. Then, let us loosen our imagination and dream of when and where we shall meet again; in a space ship or perhaps on some distant planet, we know not where, but indeed, we know we shall win success and happiness.



First of all, we should like to remind you that this trip into space is made possible through the extensive research done by scientists John Melville, Ovila Jean, Roland Ditano, and Bill Kopitz. The planning of the trip was done by astronomers Sam Moore, Bob Silvia, and Dominic Corey. Mayor Tim Reese okayed the contract which was given to a company owned by Loring Willis and Mike Stapleton. The steel which went into the making of the ship was purchased at the Paul Caron, Albert Cripps, and Dennis Prinzo Company, Inc., whose president, Tony Falcetano, made a trial on tests with Robert Nichols and Paul Gross in 1982. The chief engineers, Tom Galvin, Robin Elkin, Terry Fitzgerald, Tom Mathews, and Greg Bartlett were also aboard. If you look out the new Dick Beliveau window you can see the crew boarding the ship on the new Jeff Fisher ladder. The first to enter are the pilots Steve Gomes, Jon Cushing, Patty Carter, and Brendon Gorrie, followed by the co-pilots Ken Holmes and Ken



Maddigan. Next come the crew members Ellen Spillane, Anna May, Pat Cormier, and Laurie McDade who are in charge of navigation and their assistants Jackie Carr, and Kerry Rockwood. Going along to take care of passengers are Doctors Steve Morris, and Ronald Belrose. With them are nurses Sue Perkins, Kathy Lynch, and Anne Thompson. In charge of radar guidance are Kris Sisson, Robin Sousa, and Ross Weeks. Now that the crew and passengers Florence LaFontain, Kris Dean, Betty Murphy, Wayne Shaw, and Dottie Pike are aboard, Mike Batchelder in the control tower gives the okay and Joannie Mackiewicz announces to the riders to fasten their safety belts which were designed by Charles Einstein. As the ship leaves the ground, Dave Sisson, a missionary, says a prayer for their safety, with Janice Emerson, now a nun.



After a few days in space, we spy a small planet, Octavia on which we land. We look around through the Gilbert Bliss spy glass and see a group of people coming toward the ship. The first person to introduce herself is Queen Mitzi Booker. With her is King Robin Andrade with Lynne Bridgewood, Carol Main, and Helen Andrews, his able cabinet. Also Sue Yandell the drink mixer who mixes them each a Sally Pena. Jane Farmer and Denise Matrisciano invite the members of the crew and passengers to spend the night at the Memorial Inn owned by Steve Jewell. They eat Ed Burnhams' special 99 cent Hot Plate heated on Margaret Buckleys' new stove. The girls then visit Gail and Rickie Spaulding's Hair Styling Studio to get the once over. The following day we make a tour of the planet guided by Paul Atkins and Laura McEachern. The first place we visit is the Sue Whitaker Day Nursery where Donnie Soule takes care of all the children of the planet. Then we all stop at Little Mike's Bar, owned and tended by Michael A. Carver, where the great opera singer Janet Tharion is appearing.

Later that evening, we all returned to the space ship and started out again. We reach our desired destination of planet Andrade, named after its discoverer Mike Andrade, by following the Space Control Traffic Signals which were invented by Debbie Greely and Dave Wylie. As the passengers and crew leave the ship, we are amazed to see how modern things are. The biggest attraction is the 842½ story Melanie Bellerive Insurance Building. We then tour the planet with Berdie Candee as our tour guide,

meeting many interesting people such as Steve McQuade, a well known Space Explorer, and his assistants Betty Thompson and Debbie Stone. That evening, we all dine at the Roach Cocktail Lounge, owned by Rochelle Reynolds and tended by Patty Starrett. Tonight's performers are Mary Ferraguto and Kathy Perry, well known tap dancers. Then, violin team Debbie Ferrier and Robin Gorham appear in feathers ordered from Shellie Bessette's Peacock Feather Club. The orchestra, directed by Richard Mastro plays some fine tunes written by Ferd Dolliver. After we finish our splendid meal, we call out the head cooks, Mike B. Carver and Paul Zion to praise them. As we leave, we hear music from the stage played by Sue Hagel, the great pianist. Meanwhile, the hat check girl Bonnie Byrne gives us our coats and hats. John Mackiewicz tips her a 23 dollar bill invented by Steve Small. We take the underground subway to reach the Joan Dresner Research Foundation where the ships' crew conducted an important secret meeting with a specially selected planet committee consisting of Sue Smith, Linda Shurtleff, Ken White, Chuck Cornellison, and Jackie Horton. Their mission is to mine the Gwen Nichols Hills for a special mineral discovered by Jim McManus. This mineral goes into a special invisible toothpaste you don't have to use. It's manufactured by the Robert Fuller Brush Co., and the President, Linda Zakarian, recommends immediate drilling for this mineral. As we travel down the Lucia Browne Road, we see sidewalks of conveyor belts invented by Linda O'Toole.

After an enjoyable stay on the planet, we are off to another on our trip around space. Before we leave, we are given a party by Dot Shaw, Diane Pocius, and Kitty Tubman, three of the planets socialites. After the party, Jan Wilbur and Joan Willard see us off at the Linda Parmenter airport. Diane Dunn and Diane Hosley have put together a fine show to entertain us as we zoom through space to Planet Landry, named after Dodie Landry, a famous astronomer. After we reach the planet we proceed to the Donna Savery Theatre to see a new motion picture release: "Jennie Burke has a Birthday Party," starring Marie Semas and her leading man Gordon Wager. The cast includes Gwynne Smith who is a beautiful young damsel in distress because of a wicked spell put on her true love by a mean witch played by Kathy Anderson. The part of Miss Smith's true love is played by Elvis Presley. Stephanie Shiek is at the front booth selling tickets and Marcia Howes is at the snack bar.

As we head back to Earth after being in space two months, we pass by another ship just heading out containing a group of friends from our Junior Class of "73" back at good ole M.H.S. We see a group of people standing at the Bev Parsons Spaceport Gate: Jill Abair, Mark Demers, Debbie Mills, and Laurie Simmons. They are here to welcome us home. With them is a press conference arranged by Linda Harlow and Missy Gilbert consisting of "newsmen" Arlinda D'Oliver, JoAnn Tremml, Lisbeth Jonasson, and Janet Howes. As we arrive at the Richard Hudson Hotel and head for the Marcia Fontain Conference Room, we meet the head of the conference, Debbie Sylvia. Nancy McMahon, and Diane Duphily are going to present awards to the men and women who journeyed to the distant planets. These awards were designed by Richard Browne and Larry Kitchen. They are employed at the Jill Murphy Company. The President of the United States, Bootie Covel and the Vice President, Donnie Preti are also present at the award ceremony. The President gives a welcome home speech written by Bill Maddigan. Cocktails are served during entertainment by Pauline Poulin. Comedian Neil Korpinen leads off the show with jokes written by Tom Hannon, followed by Paul Ehney and Barbara Travassos, acrobats in pink tights. Kathy Joy, Sandra Powers and Dottie Taylor are in charge of the dinner. The marvelous decorating of the conference room was prepared by Jean Viera, Gail Parmenter, and Maureen Bruffee. Materials were bought at Bud MacAllister Decorations Inc. After dinner, everyone is exhausted and bellboys Leon Harriman, Bob Bessette, Mike Reynolds, and Bob Letourneau show all of us to our rooms. After we retire, chief maintenance man Terry King and his two assistants Gus Olson and Peter Yarsites clean up.

Well, it wasn't the first trip ever taken into space, but it was the most important. We all participated together and had fun. But of course all of this is imaginary. It was all made up in fun. Now we have our lives to live in happiness, fun and prosperity. It's up to each of us to find what we want and to be happy. Good Luck to all of us; the first graduating class of the New Middleborough High School; the class of 1972!

MIDDLEBORO — Times

o'clock!

A wait of the better part of three years for a victory in football turned downtown Middleboro into all of these things shortly before 4 o'clock Saturday afternoon after Middleboro High ended a winless skein of 23 games with an emotional 8-0 win over Abington High.

Middleboro study group meets today

Special to The Standard-Times

MIDDLEBORO—A committee, formed to study the sports future of Memorial High, met today at Rockland with representatives of the South Shore League and the Vocational League to discuss the Middleboro situation and possible league realignment.

Committee members are Ken Johnson, Middleboro principal, chairman; Scott McKinley, Rockland principal; Larry Folloni, athletic director at Bridgewater - Raynham, and Tony Sirrico, Silver Lake athletic director.

dolph, Middleboro fumbled the ball away at their own 20. But the Middleboro defense stiffened and drove Randolph back to the Middleboro 41 where they took over on downs as the first period ended.

Jim Scanlon and Paul Zion carried for a first down at the Randolph 47 but finally surrendered the ball on downs at the winners' 39.

Randolph came roaring back to the Middleboro 38 for a first and ten. Middleboro's defense rose to the occasion and held for downs at the Middleboro 36. From here Paul Zion and Cliff White alternated carries for 8 yards then on the third down Bob Letendre broke down field and was alone in the clear, but a reverse pass play saw the ball underthrown and a touchdown was gone with the wind. Then on 4th down with the ball at their own 45, Middleboro decided to go for the first down instead of kicking and Randolph stopped the play cold and took over on downs at the Middleboro 45. With time running out in the first half Randolph took to the air and scored on the third play, a 32 yard pass from Connolly to Herb Lyken, who made a great catch, and Middleboro's gamble backfired and they trailed at halftime 12-0 as both point-afters failed.

Randolph kicked off to start the second half. Bob Letendre took the kick at the Middleboro 29 and got out to the 38 yd. line. There Randolph was offside and received a 5 yard penalty. White carried twice for three and on 4th down Scanlon coolly passed to Bob Letendre alone in the right flat and Middleboro had their second touchdown.

But a run for the extra points was stopped and this was to be a damaging point in the game.

Every one loves a winner and this was evidenced in downtown Middleboro last Saturday afternoon.

Even the crusaders, who have been saying, "Let's get Middleboro out of the Old Colony League" joined in a gala celebration and parade celebrating the Middleboro High School victory over Abington.

The taste of victory was sweet and may have soured the plans of those who want to take the Sachems out of the OCL.

Middleboro surprises Scituate

By DON SHURTLEFF

SCITUATE — What many thought was a fluke win for Middleboro High last week found out their team was for real Saturday as it upset Scituate, 16-0.

All the scoring came in the first period. Steve Gomes set up the middle then pitched out to White who went the six yards for the score.

Dave Harrison then passed to Jim Scanlon to give the Sachems an 8-0 lead.

On the first play following the kickoff, Gomes recovered another loose ball on the Sail-

kickoff and drove from its 37 to the Middleboro 34. On fourth down, Don Soule, who had a brilliant day as defensive tackle, broke through the defense to nail the quarterback for a three-yard loss to kill Scituate's only drive of the day.

MIDDLEBORO — How important was Middleboro High's 8-0 victory over Abington in football — the first it's scored in nearly three years — to community spirit?

It was important enough for the Rev. William M. MacKenzie of the Sacred Heart Church to use it as part of his theme in his Sunday sermon.

"The victory by these young men after a wait of so long created a feeling of good fellowship between people who'd been complete strangers to each other a short time before," Father MacKenzie

Middleboro made at least three goal line stands and had such standouts as Mike Masi, David Wylie, Don Soule, Peter Chiuppi and Dave Harrison, along with Cliff White and Robin Elkins running stars of the day.

He's the Key

Fullback Robin Elkin was the key to their ground drive as he rolled up over 100 yards rushing for the day.

"The line did a fine job today, the boys opened some fine holes for Elkin who had one of the finest games of the season for us," stated an elated Joe Callahan.

Scituate was not able to penetrate the rugged Middleboro defense and also was hurt by costly fumbles as the Sailors fumbled the ball six times during the contest.

Robin Elkin, Don Soule and Bob Letendre all drew the praise of Coach Callahan for

Varsity and Junior Varsity: *Row 1:* G. Parsons, B. Hocking, M. Masi, E. Minkle, M. Belmont, S. Gomes, D. Harrison, D. Briggs, W. Savard, D. Wylie, D. Soule. *Row 2:* J. Small, M. Chiuppi, P. Washburn, J. Morelli, C. White, M. Perry, M. Preti, M. Thompson, R. Dugas, R. Hudson, J. Fisher. *Row 3:* J. Callahan, J. Murphy, R. Berry, R. Brown, J. Waters, J. Olson, E. McQuiggan, R. Letendre, P. Chiuppi, W. Wilbur, J. Scanlon. (*Missing:* R. Elkin, P. Zion, G. Olson, D. Leach, M. Place, G. Bettencourt).

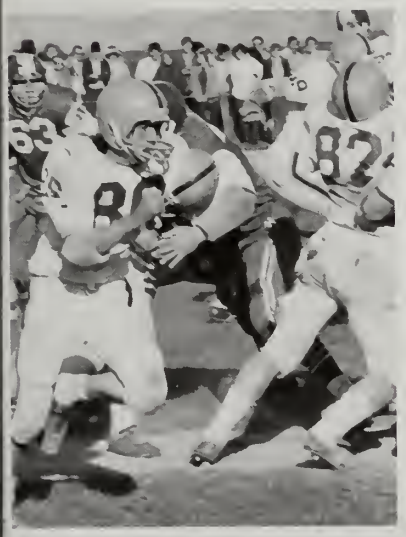
The varsity team under Joe Callahan brought new life to the Middleboro football program. Although its record can still be improved upon it included victories over Abington, Scituate and arch-rival Bridgewater-Raynham. The Thanksgiving day game was particularly important as the Lions Club trophy was retired this year and given to the victor; the Middleboro Sachems. Seniors on the team were co-captains Jeff Fisher and Don Soule; Steve Gomes, Rick Hudson, Robin Elkin, Dave Wylie, Gus Olson, Paul Zion and Dick Leach. The seniors wish next year's team a very successful season.

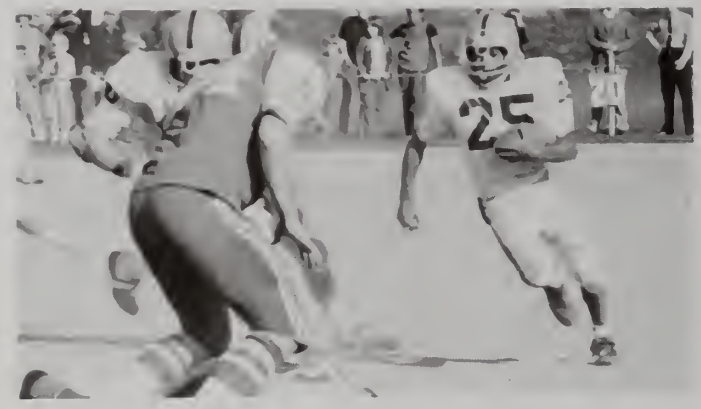
1971 FRESHMAN FOOTBALL TEAM

The year of 1971 was disappointing for the Frosh. Coach Sykes and Coach Harrison worked hard on a potentially good team that was limited in personnel. The one bright spot was the first victory since the fall of 1969.

Score: Middleboro 8 — Silver Lake 6.

Freshmen: *Row 1:* A. Rink, P. Woodburn, M. Gillis, M. Moran, T. Warren, P. Frenchko, J. MacCormick. *Row 2:* Coach Sykes, W. Pawlak, M. Hannon, A. Rink, J. Oliver, A. Grant, J. McRrillis, P. Micheals, Coach Harrison. *Row 3:* M. McDade, M. Hoult, D. Johnson, J. White, G. Lydon, G. Flood, T. Waterman.





Cross Country

Row 1: W. Sullivan, J. Cushing, N. Williams, D. Cavanaugh. *Row 2:* Coach J. Majuri, D. McNaur, K. Ciolkowski, H. Taylor. *Missing from picture:* R. Thompson.

The 1971 M.H.S. Cross Country squad, consisting of Kim Ciolkowski, Harold Taylor, Jon Cushing, David MacNayr, Richard Thompson, David Cavanaugh, William Sullivan and Nat Williams, finished in a three way tie for sixth place as a result of victories over Silver Lake and Plymouth-Carver.

The season should be considered successful because all of the runners improved greatly as the season progressed, and because it was a very young squad involving two freshmen, three sophomores, two juniors and one senior. Barring injuries and absence next year's season should be a good one.

Field Hockey

First Row: J. Tremml, L. Browne, R. Reynolds, S. Whitaker, L. Parmenter, E. Thompson, K. Lynch.
Second Row: Coach Salley, D. Viera, C. Shaw, E. Lynch, S. Wilmot, L. LaFontaine.

This year the Varsity and J.V. MHS Field Hockey teams won! Both teams showed team unification, spirit, and determination in victory and defeat. Co-captains Betty Thompson and Sue Whitaker and all the senior members: Lucia Browne, Kathy Lynch, JoAnne Tremml, Rochelle Reynolds and Linda Parmenter are truly sorry to have to say goodbye to their fellow Field Hockey teammates, yet are confident that these active, helpful, and energetic girls will create a successful team next year. We didn't always win, we did lose, but everyone was in there doing their best at every game and practice. Next year, the victories strived for this year should become a reality. The team members thank Miss Salley and Miss Sakshaug for their patience, effort, and understanding.

Girls' Basketball

Varsity

First Row: M. Howes, J. McNeil, T. Jeffery, C. Lovell, S. Wilmot, N. Pawlak. *Second Row:* L. Browne, M. Kenyon, K. Lynch, M. McMahon, E. Lynch, Coach P. Salley.

More good news in girls' sports! Halfway through the season, the Junior Varsity had already won and the Varsity was looking good. There was an overall improvement in the style of both Girls' Basketball teams due to the devoted and optimistic attitude of the members of the teams and the energetic and skilled coaches.

Junior Varsity

First Row: K. Levesque, G. Duarte, N. Ferraguto, P. Amaral, L. McDonald, L. Letendre. *Second Row:* J. Smith, L. Hollis, L. Warren, L. Iampietro, J. Gosson, M. Maddigan, C. Silvia, Coach J. Sakshaug.

OCL All Stars: Jim Mullen, John Mackiewicz, Captain

This year's Sachem's basketball team has been one of the finest to appear in our MHS gym for years. The prospect of having two freshmen, Jay White and Dave Harrison, in the starting lineup at the beginning of the year was not inviting, but thanks to the competent coaching of Mr. Brown, they have become an integral part of an efficient, close-knit team.

This year's team, led by senior captain John Mackiewicz, rolled to a 13-6 record, good enough to make the Tech Tourney, and a 3rd place finish in the Old Colony League.

The team was characterized by its hustle in both games and in practice, and also by its intense desire to win. After one of their infrequent losses, the team would bounce right back and try harder in the following game.

Next year's prospect of 4 returning starters, Jim Mullen, Bob Letendre, Jay White and Dave Harrison, brings dreams of a league championship to Middleboro fans.

This year's cheerleaders showed vitality and spirit. The many hours of devoted practices helped to lead our Sachems on to victory. The squad, led by Captains Joanne Tremml and Marie Semas provided encouragement for the Football and Basketball teams. Both J.V. and Varsity Cheerleaders added greatly to these athletic events with their enthusiasm and leadership.

Here's a story of the Middleboro Sachems
They're the team that's awfully hard to beat.
And when it comes to playing sports
There's no other High School team that can compete.

Here's a story of the Middleboro coaches
Harrison, Callahan, Murphy, Berry, Sykes, and Brown.
And when it comes to playing sports
Boy, it's awfully great to have these men around.

The Sachems rate and we know why
Forever let us hold our shakers high! high! high!
S-A-C-H-E-M-S Sachems are the very best.
Look out we're coming through — Look out!

Here's a story of the players
They're too busy making victories of their own.
To pay attention to their cheerleaders
Standing way off in the sides alone.

You know these players just don't remember
All those trying times we lost our voice.
Just to show the other schools that we've got spirit.
Now they know we can make a lot of noise.

That's the story of the Middleboro Sachems
We're sure proud of them and know that you'll agree.

1972 marked the revival of Winter Track at M.H.S. The 10 members squad under Coach Vincent Sykes worked diligently all winter to prepare for several meets to be held in February and March. The new track facilities and good coaching insure successful seasons. The most successful members competed in the State Meet which was held in March.
